Dave & Lourdes have lived in Cobble Hill for the last 15 years. Shortly after the birth of daughter Layla, Dave left a corporate career in the restaurant industry. Dave & Lou then decided to invest in the neighborhood so they could be close to their family. Lourdes, an actress by trade is the creative force for the design elements of the restaurant and menu. By the way, in case you haven't guessed, their son's name is Jones.

Layla and Jones are pretty much what this is all about.
